RODAMCO SVERIGE AB

(incorporated in the Kingdom of Sweden with limited liability)

€2,500,000,000

Guaranteed Euro Medium Term Note Programme

Guaranteed by

RODAMCO EUROPE N.V.

(incorporated in the Netherlands as a public limited company)

Under the Guaranteed Euro Medium Term Note Programme described in this Prospectus (the “Programme”), Rodamco Europe Finance B.V. (“Rodamco Europe Finance”) and Rodamco Sverige AB (“Rodamco Sverige” and, together with Rodamco Europe Finance, the “Issuers” and each, in relation to Notes issued by it, an “Issuer”), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Guaranteed Euro Medium Term Notes guaranteed by Rodamco Europe N.V. (the “Guarantor”) (the “Notes”). The aggregate nominal amount of Notes outstanding will not at any time exceed €2,500,000,000 (or the equivalent in other currencies).

This Prospectus is a base prospectus for the purposes of the Directive 2003/71/EC (the “Prospectus Directive”) and the Dutch Act on the Supervision of the Securities Trade 1995 (Wet toezicht effectenverkeer 1995) (the “Dutch Securities Act”) and regulations thereunder (together “Dutch Securities laws”) and has been approved by the Netherlands Authority for the Financial Markets (“Autoriteit Financiële Markten” or “AFM”), in its capacity as competent authority under Dutch Securities Laws, in accordance with the provisions of the Prospectus Directive and Dutch Securities Laws on 17 November 2005.

Application has been made to list the Notes to be issued under the Programme on Euronext Amsterdam (“Euronext Amsterdam”). Unlisted Notes may also be issued pursuant to the Programme. The relevant Final Terms (as defined on page 14) in respect of the issue of any Notes will specify whether or not such Notes will be listed on Euronext Amsterdam (or any other stock exchange) or will be unlisted.

Each Series (as defined on page 13) of Notes in bearer form will be represented on issue by a temporary global note in bearer form (each a “temporary Global Note”) or a permanent global note in bearer form (each a “permanent Global Note”). Notes in registered form will be represented by registered certificates (each a “Certificate”), one Certificate being issued in respect of each Noteholder’s entire holding of Registered Notes (as defined in “Overview of the Programme — Form of Notes”) of one Series. Global Notes (as defined in “Overview of the Programme — Form of Notes”) and Certificates may (or, in the case of Notes listed on Euronext Amsterdam, will) be deposited on the issue date with a common depository on behalf of Euroclear Bank S.A./N.V. as operator of the Euroclear System (“Euroclear”) and Clearstream Banking, société anonyme (“Clearstream, Luxembourg”). The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Notes are described in “Summary of Provisions Relating to the Notes while in Global Form”.

The Programme has been rated by Standard & Poor’s Rating Services, a division of the McGraw-Hill Companies Inc. Tranches of Notes (as defined in “Overview of the Programme”) issued under the Programme may be rated or unrated. Where a Tranche of Notes is rated, such rating will not necessarily be the same as the rating assigned to the Programme and such rating will be specified in the relevant Final Terms. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

In the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area (the “EEA”) or offered to the public in a Member State of the EEA in circumstances which require the publication of a prospectus under the Prospectus Directive, the minimum denomination of the Notes shall be €50,000 (or its equivalent in any other currency as at the date of issue of the Notes).

Prospective investors should have regard to the factors described under the section headed “Risk Factors” in this Prospectus for a discussion of factors which may affect the Issuer’s ability to fulfil its obligations in respect of the Notes issued under the Programme and factors which are material for assessing market risks associated with the Notes issued under the Programme.

This Prospectus supersedes and replaces the offering circular dated 14 September 2004.

To the best of the knowledge of the Issuers and the Guarantor (each having taken all reasonable care to ensure that such is the case), the information contained in this Prospectus is in accordance with the facts and does not omit anything likely to affect the import of such information. Any information from third parties contained and specified as such in this Prospectus has been accurately reproduced and does not omit anything which would render the reproduced information inaccurate or misleading.

This Prospectus is to be read in conjunction with all documents which are deemed to be incorporated herein by reference (see “Documents Incorporated by Reference” below).

No person has been authorised to give any information or to make any representation other than those contained in this Prospectus or any Final Terms in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuers, the Guarantor or any of the Dealers or the Arranger (each as defined in “Overview of the Programme”). Neither the delivery of this Prospectus nor any offering, sale or delivery of any Notes made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuers or the Guarantor since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuers since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

The distribution of this Prospectus and any Final Terms and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuers, the Guarantor, the Dealers and the Arranger to inform themselves about and to observe any such restrictions. The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”) and include Notes in bearer form that are subject to U.S. tax law requirements. For a description of certain restrictions on offers and sales of Notes and on distribution of this Prospectus or any Final Terms, see “Subscription and Sale”.

Neither this Prospectus nor any Final Terms constitutes an offer of, or an invitation by or on behalf of the Issuers, the Guarantor or the Dealers to subscribe for, or purchase, any Notes.

The Arranger and the Dealers have not separately verified the information contained in this Prospectus. None of the Dealers or the Arranger makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Prospectus. Neither this Prospectus nor any other information supplied in connection with the Programme or the Notes is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuers, the Guarantor, the Arranger or the Dealers that any recipient of this Prospectus or any other information supplied in connection with the Programme or the Notes should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Prospectus or any other information supplied in connection with the Programme or the Notes and its

purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuers or the Guarantor during the life of the arrangements contemplated by this Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

In connection with the issue of any Tranche (as defined in “Overview of the Programme”), the Dealer or Dealers (if any) named as the stabilising manager(s) (the “Stabilising Manager(s)”) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes (provided that the aggregate principal amount of Notes allotted does not exceed 105 per cent. of the aggregate principal amount of the relevant Tranche) or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche.

In this Prospectus, unless otherwise specified or the context otherwise requires, references to a “Member State” are to a Member State of the EEA, references to “€”, “euro” and “cents” are to the lawful currency/units of currency of the member states of the European Union that adopt the single currency in accordance with the Treaty establishing the European Community, as amended, references to “Sterling” and “£” are to the lawful currency of the United Kingdom and references to “Swedish Krona” and “SEK” are to the lawful currency of the Kingdom of Sweden.

RISK FACTORS

The Issuers and the Guarantor believe that the following factors may affect their ability to fulfil their obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuers and the Guarantor are not in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Issuers and the Guarantor believe may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuers and the Guarantor believe that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of each of the Issuers (or the Guarantor) to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuers and the Guarantor do not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents deemed to be incorporated by reference herein) and reach their own views prior to making any investment decision.

References in this section to “Rodamco Europe” and to “Group” are to the group to which the Issuers and the Guarantor belong.

Factors that may affect the Issuers’ ability to fulfil their obligations under Notes issued under the Programme

Principal risks

Rodamco Europe’s principal risks can be classified as *strategic, operational, financial, environmental and regulatory* (see under 1 to 5).

1. Strategic risks

Strategic risks concern primarily the investment side of the business of Rodamco Europe and its risk appetite. Taking strategic risks is part of the asset selection and management process in determining where, what and when to invest (in light of the cyclical nature of economies and some market segments) and how much to invest (diversification of risk and return).

The Group may invest in higher risk profile cities in Europe

Rodamco Europe’s strategy is aimed at establishing a dominant market position in key European cities. In executing its growth strategy it may invest in higher risk profile cities in Europe. Higher risk profile involves emerging markets or areas which are politically less stable, have weaker economic prospects or have lower entry barriers for competition.

The Group’s strategy is focussed primarily on the retail property sector

Rodamco Europe’s strategy has shifted away from the potentially higher yield but more volatile office sector. As a result, it has a greater dependency on the developments in the retail property sector.

The Group may time and execute its investments/divestments at sub-optimal cyclical moments and conditions

The cyclical nature of economies and markets are uncertain and difficult to predict. In executing its strategy, the Group may, therefore, time its investments and divestments at sub-optimal cyclical moments and at sub-optimal risk and return conditions.

2. Operational risks

The Group may not be able to sustain generation of stable cash flows

Cash flow generation is directly impacted by commercial risks. For example, the property owned by the Group may have a level of vacancy, the tenants may not pay on time leading to rent in arrears, the tenant may be in default of lease payments or the lease income may be reduced by lease incentives.

Rental income and the market value for properties are generally affected by overall conditions in the economy, such as growth in gross domestic product, consumer confidence, employment trends, inflation and changes in interest rates.

The performance of the Group in terms of capital value or a weakening of rental yields would be adversely affected by a downturn in the property market. In the event of a default by a tenant, or during any other void period, the Group would suffer a rental shortfall and incur additional expenses until the property is re-let. These expenses could include legal and surveyor's costs in re-letting, maintenance costs, insurances, rates and marketing costs.

Cash flow generation is indirectly impacted by conditions such as downturns in the market/economy, increased competition for the Group and the fact that a property owned by the Group may be in a weaker location or may have a weaker or more vulnerable tenant mix.

The Group may be exposed to various valuation risks

The value of properties may decline and cash flow returns may, as a result, not be optimised. Investment and divestment of properties may take place at uneconomic times and terms. Yield shifts in the market may prove to be incidental rather than structural. The estimated future reversionary potential of market rents may not be achieved in rent renewals. Compliance with new accounting rules from 2004 means that the property revaluation result is no longer strictly a balance sheet item but has become an integral component of the profit & loss statement and, after deduction of deferred taxation, it materially affects and increases the volatility of net profit.

The Group may be unable to sell a property at desired terms

The property market is affected by many factors that are beyond the Group's control. For example, general economic conditions, availability of financing, interest rates, tax laws and other factors including investor/buyer supply and demand. Rodamco Europe cannot predict whether it will be able to sell any property for the price or on the terms set by it, or whether any price or other terms offered by a prospective purchaser would be acceptable to it. Nor can it predict the length of time needed to find a willing purchaser and to complete the sale of a property.

The Group may not be able to transfer all pipeline related risks to its counterparties

The Group has a substantial pipeline to support its growth strategy. Pipeline projects involve risks such as (i) delays in timely completion (ii) costs overrun (iii) deviations from specifications or poor quality workmanship and (iv) inability to rent at full occupancy or inability to rent at a rental level sufficient to generate profits.

The Group's general policy is to transfer pipeline related risk, other than letting risk, to the extent possible to contractual counterparties as developers and co-owners, resulting in shared or limited control for the Group. Despite its policy, the Group cannot be certain that it will always succeed in transferring pipeline risks in full. It is possible, therefore, that future results could be affected unfavourably. Rodamco Europe willingly accepts letting risk as it considers early involvement in shopping-centre design and tenant mix with strong anchor tenants as strategic and crucial in minimising future operational risks and safeguarding the value of its properties.

The Group may be exposed to catastrophic and uninsured losses

All Rodamco Europe's properties are insured against property damage, business interruption and damage as a result of terrorism, either through local policies or its European-wide master policy. However, Group risk or changes in the cost or availability of insurance could expose the Group to uninsured casualty losses. In the event that any of the properties incurs a loss that is not fully covered by insurance, the value of the Group's assets will be reduced by any such uninsured loss. In addition, the Group may have no source of funding to repair or reconstruct the damaged property, and it cannot be certain that any such sources of funding will be available to it for such purposes in the future.

Rodamco Europe is not insured against damage from flooding in the Netherlands.

The Group may not be able to adequately recruit and retain competent people

Given the demographic and uncertain supply and demand developments in the (labour) market place, the Group may be exposed to difficulties in recruiting and retaining people with desired competency levels for executing its growth strategy. Such difficulties could cause the Group to incur additional recruiting and payroll expenditures.

The Group may be exposed to increasing IT expenditures in future

Demands for fast and reliable reporting of financial, operational performance and other regulatory information are increasing in line with global trends and more stringent corporate governance requirements,. Rapid technological and web-based developments call for pro-active management and maintenance of IT infrastructure, technology and security. The Group may be exposed to increasing IT expenditures in future to meet these additional requirements,.

3. Financial risks

The Group may not have adequate access to low cost capital at all times

The property business is highly capital intensive. Access to low cost capital is essential to support a sustainable business strategy and controlled growth. Possible severe events, such as a (global) debt and equity markets crisis or a downgrade of Rodamco Europe N.V.'s corporate credit rating, mean that the Group cannot be certain that it will have adequate access to low cost capital at all times. In the event such severe circumstances arise, the Group would be exposed to higher liquidity risks and higher funding costs.

Interest-rate exposure

Rodamco Europe runs a structural interest-rate risk in its balance sheet. Interest-rate exposure could be triggered by increases in interest rates by the European, Swedish and U.S. Central Banks, steepening of the interest curve (short versus long-term interest) and widening of supply/demand gaps in international debt capital markets.

Foreign currency exposure

Rodamco Europe has activities and investments in countries outside the Euro-zone, primarily in Sweden. When converted into euros, the income and value of Rodamco Europe's net investment may be influenced by fluctuations in exchange rates against the euro.

Derivatives instruments exposure

The Group uses derivative financial instruments to hedge its potential exposures to movements in interest and currency exchange rates. These derivative instruments include currency and interest rate swaps, collars and forward rate agreements. To the extent these derivative instruments are ineffective, they could result in (un)realised fair value losses and materially affect net profit.

Tax exposure

Rodamco Europe operates in a number of different tax jurisdictions. It is, therefore, exposed to financial risks from increases in tax rates and changes to the basis of taxation.

4. Environmental risks

Discovery of previously undetected environmentally hazardous conditions

Under various governmental environmental laws, a current or previous owner or operator of real property may be liable for the cost of removing or remediating hazardous or toxic substances of such property. Such laws often impose liability whether or not the owner or operator knew of, or was responsible for, the presence of such hazardous or toxic substances. Environmental laws may also impose restrictions on the manner in which property may be used or businesses may be operated. A property owner who violates environmental laws may be subject to sanctions which may be enforced by governmental agencies or, in certain circumstances, by private parties. In connection with the acquisition and ownership of properties, the Group may be exposed to such costs. The cost of defending against environmental claims or compliance with environmental regulatory requirements or of remediating any contaminated property could materially adversely affect the Group's assets or results of operations.

5. Regulatory risks

Compliance with local regulations

Governmental authorities at all levels are actively involved in the promulgation and enforcement of regulations relating to corporate governance, taxation, land use, zoning, planning restrictions, environmental protection, safety and other matters. The introduction and enforcement of such regulations could have the effect of increasing the expense and lowering the income or rate of return from property owned by the Group.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

Risks related to the suitability of the Notes. Set out below is a brief description of certain risks associated with the suitability or otherwise of the Notes as an investment.

Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments and such instruments may be purchased by investors as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of Notes. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Partly Paid Notes

The Issuers may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

Variable Rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of such Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the relevant Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The relevant Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the relevant Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the relevant Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the relevant Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification, waivers and substitution

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders, including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Terms and Conditions of the Notes also provide that the Trustee may, without the consent of the Noteholders, agree to (i) any modification of, or waiver or authorisation of any breach or proposed breach of, any of the Terms and Conditions of the Notes or (ii) determine without the consent of the Noteholders that any Event of Default or potential Event of Default shall not be treated as such or (iii) the substitution of another entity as principal debtor under any Notes in place of the Issuers, in the circumstances described in Condition 11 of the Terms and Conditions of the Notes.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, each Member State is required, from 1 July 2005, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland) with effect from the same date.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuers nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent, the Issuers will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

Change of law

The Terms and Conditions of the Notes are governed by English law in effect as at the date of issue of the relevant Notes. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of issue of the relevant Notes.

Integral multiples of less than €50,000

Although Notes which are admitted to trading on a regulated market within the EEA or offered to the public in a Member State of the EEA in circumstances which require the publication of a prospectus under the Prospectus Directive are required to have a minimum Specified Denomination of €50,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes), it is possible that the Notes may be traded in

the clearing systems in amounts in excess of €50,000 (or its equivalent) that are not integral multiples of €50,000 (or its equivalent). In such a case, should definitive Notes be required to be issued, Noteholders who hold Notes in the relevant clearing system in amounts that are not integral multiples of a Specified Denomination may need to purchase or sell, on or before the relevant Exchange Date, a principal amount of Notes such that their holding is an integral multiple of a Specified Denomination.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Where Notes issued under the Programme are not listed on a stock exchange or a regulated market, pricing information may be more difficult to obtain, and the liquidity and market prices of such Notes may be adversely affected.

Exchange rate risks and exchange controls

The Issuers will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign ratings to an issue of Notes. The ratings may not reflect the potential impact of all risks related to the structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment consideration may restrict certain investments

The investment activities of certain investors may be subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine

whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

(or identical other than in respect of the first payment of interest), the Notes of each Series being intended to be interchangeable with all other Notes of that Series. Each Series may be issued in tranches (each a “Tranche”) on the same or different issue dates. The specific terms of each Tranche (which will be completed, where necessary, with supplemental terms and conditions and, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be completed in the Final Terms (the “Final Terms”).

Issue Price:

Notes may be issued at their nominal amount or at a discount or premium to their nominal amount. Partly Paid Notes may be issued, the issue price of which will be payable in two or more instalments.

Form of Notes:

The Notes may be issued in bearer form only (“Bearer Notes”), in bearer form exchangeable for Registered Notes (“Exchangeable Bearer Notes”) or in registered form only (“Registered Notes”). Each Tranche of Bearer Notes and Exchangeable Bearer Notes will be represented on issue by a temporary Global Note if (i) definitive Notes are to be made available to Noteholders following the expiry of 40 days after their issue date or (ii) such Notes have an initial maturity of more than one year and are being issued in compliance with the D Rules (as defined in “Overview of the Programme — Selling Restrictions”), otherwise such Tranche will be represented by a permanent Global Note. A temporary Global Note and a permanent Global Note are together referred to as “Global Notes”. Registered Notes will be represented by Certificates, one Certificate being issued in respect of each Noteholder’s entire holding of Registered Notes of one Series. Certificates representing Registered Notes that are registered in the name of a nominee for one or more clearing systems are referred to as “Global Certificates”.

Clearing Systems:

Clearstream, Luxembourg, Euroclear and, in relation to any Tranche, such other clearing system as may be agreed between the Issuer, the Issuing and Paying Agent, the Trustee and the relevant Dealer.

Initial Delivery of Notes:

On or before the issue date for each Tranche, the Global Note representing Bearer Notes or Exchangeable Bearer Notes or the Certificate representing Registered Notes may be deposited with a common depositary for Euroclear and Clearstream, Luxembourg. Global Notes or Certificates relating to Notes that are not listed on Euronext Amsterdam may also be deposited with any other clearing system or may be delivered outside any clearing system provided that the method of such delivery has been agreed in advance by the Issuer, the Issuing and Paying

Agent, the Trustee and the relevant Dealer. Registered Notes that are to be credited to one or more clearing systems on issue will be registered in the name of nominees or a common nominee for such clearing systems.

Currencies:

Subject to compliance with all relevant laws, regulations and directives, Notes may be issued in any currency agreed between the Issuers, the Guarantor and the relevant Dealers.

Maturities:

Subject to compliance with all relevant laws, regulations and directives, any maturity.

Denomination:

Definitive Notes will be in such denominations as may be specified in the relevant Final Terms, save that (i) in the case of any Notes which are to be admitted to trading on a regulated market within the EEA or offered to the public in a Member State of the EEA in circumstances which require the publication of a prospectus under the Prospectus Directive, the minimum denomination shall be €50,000 (or its equivalent in any other currency as at the date of issue of the Notes) and (ii) unless otherwise permitted by then current laws and regulations, Notes (including Notes denominated in Sterling) which have a maturity of less than one year and in respect of which the issue proceeds are to be accepted by the Issuer in the United Kingdom or whose issue otherwise constitutes a contravention of section 19 of the Financial Services and Markets Act 2000 (the “FSMA”) will have a minimum denomination of £100,000 (or its equivalent in other currencies).

Fixed Rate Notes:

Fixed interest will be payable in arrear on the date or dates in each year specified in the relevant Final Terms.

Floating Rate Notes:

Floating Rate Notes will bear interest determined separately for each Series as follows:

- (i) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency (as defined in “Terms and Conditions of the Notes — Interest and other Calculations”) governed by an agreement incorporating the 2000 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc.; or
- (ii) by reference to LIBOR, LIBID, LIMEAN or EURIBOR (or such other benchmark as may be specified in the relevant Final Terms) as adjusted for any applicable margin.

Interest periods will be specified in the relevant Final Terms.

Zero Coupon Notes:

Zero Coupon Notes may be issued at their nominal amount or at a discount to it and will not bear interest.

Interest Periods and Interest Rates:

The length of the interest periods for the Notes and the applicable interest rate or its method of calculation may differ

from time to time or be constant for any Series. Notes may have a maximum interest rate, a minimum interest rate, or both. The use of interest accrual periods permits the Notes to bear interest at different rates in the same interest period. All such information will be set out in the relevant Final Terms.

Redemption:

The relevant Final Terms will specify the basis for calculating the redemption amounts payable. Unless permitted by then current laws and regulations, Notes (including Notes denominated in Sterling) which have a maturity of less than one year and in respect of which the issue proceeds are to be accepted by the Issuer in the United Kingdom or whose issue otherwise constitutes a contravention of section 19 of the FSMA must have a minimum redemption amount of £100,000 (or its equivalent in other currencies).

Redemption by Instalments:

The Final Terms issued in respect of each issue of Notes that are redeemable in two or more instalments will set out the dates on which, and the amounts in which, such Notes may be redeemed.

Other Notes:

Terms applicable to high interest Notes, low interest Notes, step-up Notes, step-down Notes, partly paid Notes and any other type of Note that the Issuers, the Guarantor, the Trustee and any Dealer or Dealers may agree to issue under the Programme will be set out in the relevant Final Terms and/or supplemental Prospectus.

Optional Redemption:

The Final Terms issued in respect of each issue of Notes will state whether such Notes may be redeemed prior to their stated maturity at the option of the Issuer (either in whole or in part) and/or the holders, and if so the terms applicable to such redemption.

Status of Notes:

The Notes and the guarantee in respect of them will constitute unsubordinated and unsecured obligations of the Issuer and the Guarantor, respectively, all as described in “Terms and Conditions of the Notes — Guarantee and Status”.

Negative Pledge:

See “Terms and Conditions of the Notes — Covenants — Negative Pledge”.

Cross Default:

See “Terms and Conditions of the Notes — Events of Default”.

Early Redemption:

Except as provided in “Optional Redemption” above, Notes will be redeemable at the option of the Issuer prior to maturity only for tax reasons. See “Terms and Conditions of the Notes — Redemption, Purchase and Options”.

Withholding Tax:

All payments of principal and interest in respect of the Notes and the Guarantee will be made free and clear of withholding taxes of the Netherlands or the Kingdom of Sweden, as the case may be, subject to customary exceptions (including the ICMA Standard EU Exceptions), all as described in “Terms and

Conditions of the Notes — Taxation”.

Governing Law:

English.

Application has been made to list Notes issued under the Programme on Euronext Amsterdam or as otherwise specified in the relevant Final Terms. As specified in the relevant Final Terms, a Series of Notes may be unlisted.

Each Tranche of Notes may be rated or unrated. Where an issue of Notes is rated, the rating will be specified in the relevant Final Terms.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions (“Conditions”) that, subject to completion and amendment and as supplemented or varied in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. Either (i) the full text of these Conditions together with the relevant provisions of Part A of the Final Terms or (ii) these Conditions as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are constituted by a Trust Deed dated 14 September 2004 and amended and restated on 17 November 2005 (as amended, supplemented and/or restated as at the date of issue of the Notes (the “Issue Date”), the “Trust Deed”) between Rodamco Europe Finance B.V. (“Rodamco Europe Finance”) and Rodamco Sverige AB (“Rodamco Sverige”) (each an “Issuer” and together, the “Issuers”), Rodamco Europe N.V. (the “Guarantor”) and Deutsche Trustee Company Limited (the “Trustee”, which expression shall include all persons for the time being the trustee or trustees under the Trust Deed) as trustee for the Noteholders (as defined below). Reference in any Notes to “the Issuer” means, unless otherwise specified therein, the Issuer of such Notes. These terms and conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Receipts, Coupons and Talons referred to below. An Agency Agreement dated 14 September 2004 and amended and restated on 17 November 2005 (as amended, supplemented and/or restated as at the Issue Date, the “Agency Agreement”) has been entered into in relation to the Notes between the Issuers, the Guarantor, the Trustee, Deutsche Bank AG, London Branch as initial issuing and paying agent and the other agents named in it. The issuing and paying agent, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Issuing and Paying Agent”, the “Paying Agents” (which expression shall include the Issuing and Paying Agent), the “Registrar”, the “Transfer Agents” (which expression shall include the Registrar) and the “Calculation Agent(s)”. Copies of the Trust Deed and the Agency Agreement are available for inspection during usual business hours at the principal office of the Trustee (presently at Winchester House, 1 Great Winchester Street, London EC2N 2DB) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders, the holders of the interest coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) and the holders of the receipts for the payment of instalments of principal (the “Receipts”) relating to Notes in bearer form of which the principal is payable in instalments are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement.

1 Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”, which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form (“Registered Notes”) or in bearer form exchangeable for Registered Notes (“Exchangeable Bearer Notes”) in each case in the Specified Denomination(s) shown hereon, provided that in the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the EEA in circumstances which require the publication of a Prospectus under the Prospectus Directive, the minimum Specified

Denomination shall be €50,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

So long as the Notes are represented by a temporary Global Note, permanent Global Note or Global Certificate and the relevant clearing system(s) so permit, the Notes shall be tradeable only in principal amounts of at least the Specified Denomination (or if more than one Specified Denomination, the lowest Specified Denomination) provided hereon and integral multiples of the Tradeable Amount provided in the relevant Final Terms.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Instalment Note or a Partly Paid Note, a combination of any of the foregoing or any other kind of Note, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) Exchange of Exchangeable Bearer Notes

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same nominal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Receipts, Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 7(b)) for any payment of interest, the Coupon in respect of that payment of interest need not

be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) *Transfer of Registered Notes*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of an Issuer's or Noteholders' option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 6(e)) and surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition (d), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) Exchange Free of Charge

Exchange and transfer of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) Closed Periods

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Certificate is simultaneously surrendered not later than the relevant Record Date.

3 Guarantee and Status

(a) Guarantee

The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Trust Deed, the Notes, Receipts and Coupons. Its obligations in that respect (the “Guarantee”) are contained in the Trust Deed.

(b) Status of Notes and Guarantee

The Notes and the Receipts and Coupons constitute (subject to Condition 4) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes and the Receipts and Coupons and of the Guarantor under the Guarantee shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all other unsecured and unsubordinated obligations of the Issuer and the Guarantor respectively, present and future.

4 Covenants

(a) Negative Pledge

So long as any of the Notes, Receipts or Coupons remains outstanding (as defined below):

- (i) neither the Issuer nor the Guarantor shall create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest (“Security”) upon the whole or any part of its undertaking, assets or revenues present or future to secure any Relevant Debt, or any guarantee of or indemnity in respect of any Relevant Debt; and
- (ii) each of the Issuer and the Guarantor shall procure that no Subsidiary (as defined below) of the Issuer or the Guarantor creates or permits to subsist any Security upon the whole or any part of its undertaking, assets or revenues present or future to secure any Relevant Debt or any guarantee of or indemnity in respect of any Relevant Debt,

unless, at the same time or prior thereto, the Issuer’s obligations under the Notes, Receipts, Coupons and the Trust Deed or, as the case may be, the Guarantor’s obligation under the Guarantee (A) are

secured equally and rateably therewith to the reasonable satisfaction of the Trustee or benefit from a guarantee or indemnity in substantially identical terms thereto, as the case may be, (in each case, to the reasonable satisfaction of the Trustee) or (B) have the benefit of such other security, guarantee, indemnity or other arrangement as the Trustee in its absolute discretion shall deem to be not materially less beneficial to the Noteholders or as shall be approved by an Extraordinary Resolution (as defined below) of the Noteholders.

For the purposes of this Condition 4(a):

“Extraordinary Resolution” means a resolution passed at a meeting duly convened and held in accordance with the Trust Deed by a majority of at least 75 per cent of the votes cast.

“outstanding” means, in relation to the Notes, all the Notes issued, except (a) those that have been redeemed and cancelled in accordance with these Conditions, (b) those in respect of which the date for redemption has occurred and the redemption moneys (including all interest accrued on such Notes to the date for such redemption and any interest payable under these Conditions after such date) have been duly paid to the Trustee or to the Issuing and Paying Agent as provided in the Trust Deed and remain available for payment against presentation and surrender of Notes, Certificates, Receipts and/or Coupons, as the case may be, (c) those that have become void or in respect of which claims have become prescribed, (d) those that have been purchased and cancelled as provided in these Conditions, (e) those mutilated or defaced Bearer Notes that have been surrendered and cancelled in exchange for replacement Bearer Notes, (f) (for the purpose only of determining how many Notes are outstanding and without prejudice to their status for any other purpose) those Bearer Notes alleged to have been lost, stolen or destroyed and in respect of which replacement Notes have been issued, (g) those Exchangeable Bearer Notes that have been exchanged for Registered Notes, and (h) any temporary Global Note to the extent that it shall have been exchanged for a permanent Global Note and any Global Note to the extent that it shall have been exchanged for one or more Definitive Notes, in either case pursuant to its provisions; provided that for the purposes of (1) ascertaining the right to attend and vote at any meeting of the Noteholders, (2) the determination of how many Notes are outstanding for the purposes of Conditions 10 and 11 and the Trust Deed, (3) the exercise of any discretion, power or authority that the Trustee is required, expressly or impliedly, to exercise in or by reference to the interests of the Noteholders and (4) the certification (where relevant) by the Trustee as to whether a potential Event of Default is in its opinion materially prejudicial to the interests of the Noteholders, those Notes that are beneficially held by or on behalf of the relevant Issuer, the Guarantor or any of their respective Subsidiaries and not cancelled shall (unless no longer so held) be deemed not to remain outstanding.

“Relevant Debt” means any present or future indebtedness in the form of, or represented by, bonds, notes, debentures, loan stock or other securities that are for the time being, or are capable of being, quoted, listed or ordinarily dealt in on any stock exchange, over-the-counter or other securities market. Relevant Debt does not, however, include any indebtedness that is being raised in the loan markets but which is in the form of a bond, note or other security, provided that such bond, note or other security is not for the time being, and is not intended to be, quoted, listed or ordinarily dealt in on any stock exchange, over-the-counter or other securities market or by means of private placement.

“Subsidiary” means, at any particular time, (a) with respect to each of the Issuers and the Guarantor, a company which is then directly or indirectly controlled, or more than 50 per cent. of whose issued equity share capital (or equivalent) is then beneficially owned, by any of the Issuers or the Guarantor (as the case may be) and/or one or more of their respective Subsidiaries. For a company to be “controlled” by another means that the other (whether directly or indirectly and whether by the ownership of share capital, the possession of voting power, contract or otherwise) has the power to

appoint and/or remove all or the majority of the members of the Board of Directors or other governing body of that company or otherwise controls, or has the power to control, the affairs and policies of that company or (b) with respect to Rodamco Europe Finance and the Guarantor, any of Rodamco Europe Finance's or the Guarantor's subsidiaries or affiliates within the meaning of section 2:24a of the Dutch Civil Code or (c) with respect to Rodamco Sverige, any of Rodamco Sverige's subsidiaries as referred to in chapter 1, section 5 of the Swedish Companies Act (Aktiebolagslagen 1975:1385).

The foregoing shall not apply to (i) any Security arising solely by mandatory operation of law or (ii) Security upon the whole or part of the undertaking or assets of any Subsidiary of the Issuer or the Guarantor which becomes a Subsidiary after the date of the issue of the Notes, being Security which existed at the time such company became a Subsidiary and which was not created in contemplation of it becoming a Subsidiary and provided that the principal amount thereby is not subsequently increased.

(b) *Limitation on Subsidiary Indebtedness*

So long as any of the Notes remains outstanding, neither the Issuer nor the Guarantor will permit any of their respective Subsidiaries, without the prior approval of the Trustee or prior sanction of an Extraordinary Resolution of the Noteholders, to contract, create, incur, assume or suffer to exist any Indebtedness, except:

- (iii) the Notes of the Issuer and any other Indebtedness of Rodamco Europe Finance, a Finance Subsidiary of the Guarantor or the Guarantor whether now existing or incurred hereafter provided that, in the case of Rodamco Europe Finance and any Finance Subsidiary of the Guarantor, such Indebtedness is unsecured and, to the extent that such Indebtedness is guaranteed by the Guarantor, the Guarantee in respect of the Notes ranks at least equally with such guarantee (save for such exceptions as may be provided by applicable legislation);
- (iv) Indebtedness of a Subsidiary of the Issuer or the Guarantor owing to and held by the Issuer, the Guarantor or another Subsidiary;
- (v) Indebtedness of a Subsidiary of the Issuer or the Guarantor acquired as a result of a Permitted Acquisition (or Indebtedness assumed at the time of a Permitted Acquisition of an asset securing such Indebtedness), provided that (x) such Indebtedness was not incurred in connection with, or in anticipation or contemplation of, such Permitted Acquisition and (y) such Indebtedness is non recourse to any assets of the Issuer or the Guarantor or any of their respective Subsidiaries other than the Subsidiary and assets so acquired;
- (vi) Indebtedness of the Subsidiaries of the Issuer or the Guarantor not otherwise permitted hereunder in an aggregate principal amount at any time outstanding which does not exceed 30 per cent. of the Total Group Assets, provided that any Notes issued by Rodamco Sverige shall be included in the determination of the principal amount outstanding for such purposes; and
- (vii) Indebtedness incurred by a Subsidiary of the Issuer or the Guarantor in connection with any cash management credit facility agreements entered into between such Subsidiaries and banks providing for the zero-balancing between cash accounts held by any of such Subsidiaries and any rights of set-off credits and debits of any of such Subsidiaries with the bank, provided that the aggregate net debt outstanding at any one time does not exceed €20,000,000.

For the purposes of this Condition 4(b):

“Finance Subsidiary of the Guarantor” means a Subsidiary of the Guarantor whose activities are limited to the raising of finance for use by the Guarantor and its Subsidiaries (and, for the avoidance of doubt, do not include the holding of assets other than intra-group Indebtedness).

“Indebtedness” means any indebtedness (which includes any obligation (whether incurred as principal or as surety) for the payment or repayment of money, whether present or future, actual or contingent) for or in respect of:

- (a) moneys borrowed;
- (b) any amount raised by acceptance under any acceptance credit facility ;
- (c) any amount raised pursuant to any note purchase facility or the issue of bonds, notes, debentures, loan stock or any similar instrument;
- (d) the amount of any liability in respect of any lease or hire purchase contract which would, in accordance with applicable generally accepted accounting principles, be treated as a finance or capital lease;
- (e) receivables sold or discounted (other than any receivables to the extent they are sold on a non-recourse basis);
- (f) any amount raised under any other transaction entered into primarily as a method of raising finance;
- (g) any derivative transaction entered into in connection with protection against or benefit from fluctuation in any rate or price (and, when calculating the value of any derivative transaction, only the net marked to market value shall be taken into account);
- (h) the amount payable for the redemption of any Redeemable Shares in the issued share capital of any Subsidiary of the Guarantor (other than the Issuer) which rank ahead of the ordinary (or equivalent) share capital of such Subsidiary and which are not directly or indirectly owned by the Guarantor;
- (i) the amount of any liability in respect of any guarantee or indemnity for any guarantee, indemnity, bond, standby or documentary letter of credit or any other instrument issued by a bank or financial institution; and
- (j) without double-counting in respect of any amount of any liability which has already been included in any of the paragraphs (a) to (i) above, the amount of any liability in respect of any guarantee or indemnity for any other items referred to in paragraphs (a) to (i) above.

“Redeemable Shares” means shares which are redeemable provided that no shares which are expressed to be redeemable after the Maturity Date shall be treated as “Redeemable Shares” unless, under their terms, it is possible that they might fall to be redeemed (whether on insolvency of the issuer thereof, or at the option of the issuer or holder thereof, or otherwise) prior to such date.

“Total Group Assets” means the total fixed assets of the Guarantor on a consolidated basis, as included in its then latest audited annual financial statements or (if more recently prepared and published) its then latest unaudited semi-annual financial statements.

5 Interest and Other Calculations

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date.

If a Fixed Coupon Amount or a Broken Amount is specified hereon, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified hereon.

(b) Interest on Floating Rate Notes

(i) Interest Payment Dates

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) Business Day Convention

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) Rate of Interest for Floating Rate Notes

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this subparagraph (A), “ISDA Rate” for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon;
- (y) the Designated Maturity is a period specified hereon; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), “Floating Rate”, “Calculation Agent”, “Floating Rate Option”, “Designated Maturity”, “Reset Date” and “Swap Transaction” have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

- (y) if the Relevant Screen Page is not available or if, sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the

Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

- (z) if paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin, Rate Multiplier or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin, Rate Multiplier or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin, Rate Multiplier or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period.

(c) Zero Coupon Notes

Where a Note, the Interest Basis of which is specified to be Zero Coupon, is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)(i)).

(d) *Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified hereon.

(e) *Accrual of Interest*

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(f) *Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding*

- (i) If any Margin or Rate Multiplier is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with Condition 5(b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified hereon, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country or countries (as appropriate) of such currency.

(g) *Calculations*

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(h) *Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts*

The Calculation Agent shall, as soon as practicable on each Interest Determination Date, or such other time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest

Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders (in accordance with the provisions of Condition 16), any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(i) *Determination or Calculation by Trustee*

If the Calculation Agent does not at any time for any reason determine or calculate the Rate of Interest for an Interest Period or any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, the Trustee shall do so (or shall appoint an agent on its behalf to do so) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall (with the prior approval of the Trustee) appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. The Issuer shall notify the Noteholders (in accordance with Condition 16) as soon as practicable of any new appointment of the Calculation Agent.

6 Redemption, Purchase and Options

(a) Redemption by Instalments and Final Redemption:

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 6 or the relevant Instalment Date (being one of the dates so specified hereon) is extended pursuant to any Issuer’s or Noteholder’s option in accordance with Condition 6(d) or 6(e), each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer’s or Noteholder’s option in accordance with Condition 6(d) or 6(e), each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount (which, unless otherwise provided hereon, is its nominal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

(b) Early Redemption

- (i) Zero Coupon Notes
 - (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon

redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified hereon.

- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

- (ii) Other Notes

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified hereon.

(c) *Redemption for Taxation Reasons*

The Notes (other than Notes in respect of which the Issuer shall have given a notice of redemption pursuant to Condition 6(d) or in respect of which a Noteholder shall have exercised its option under Condition 6(e) in each case prior to any notice being given under this Condition 6(c)) may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date (if this Note is a Floating Rate Note or, at any time (if this Note is not a Floating Rate Note), on giving not less than 30 nor more than 60 days' notice to the Noteholders (which notice shall be irrevocable) at their Early Redemption Amount (as described in Condition 6(b) above) (together with interest accrued to the date fixed for redemption), if (i) the Issuer (or, if the Guarantee were called, the Guarantor) satisfies the Trustee immediately before the giving of such notice that it has or will become obliged to pay additional amounts as described under Condition 8 as a result of any change in, or amendment to, the laws or regulations of the Netherlands (in the case of Rodamco Europe Finance and/or the Guarantor) or the Kingdom of Sweden (in the case of Rodamco Sverige) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date, and (ii) such obligation cannot be avoided by the Issuer (or the Guarantor, as the case may be) taking reasonable measures available to it, provided that no such notice of redemption shall be

given earlier than 90 days prior to the earliest date on which the Issuer (or the Guarantor, as the case may be) would be obliged to pay such additional amounts were a payment in respect of the Notes (or the Guarantee, as the case may be) then due. Before the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Trustee (1) a certificate signed by two directors of the Issuer (or the Guarantor, as the case may be) stating that the obligation referred to in (i) above cannot be avoided by the Issuer (or the Guarantor, as the case may be) taking reasonable measures available to it, and (2) an opinion of independent legal advisers of recognised standing to the effect that the Issuer (or the Guarantor, as the case may be) has or will become obliged to pay such additional amounts as a result of such change or amendment. The Trustee shall be entitled to accept such certificate and opinion as sufficient evidence of the satisfaction of the condition precedent set out in (ii) above in which event it shall be conclusive and binding on Noteholders and Couponholders.

(d) *Redemption at the Option of the Issuer*

If Call Option is specified hereon, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon) redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes, or in the case of Registered Notes shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements.

So long as the Notes are listed on Euronext Amsterdam or any other stock exchange and the rules of the relevant stock exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in the Daily Official List of Euronext Amsterdam ("*Officiële Prijscourant*") and a leading newspaper of general circulation in the Netherlands (which is expected to be *Het Financieele Dagblad*) or as specified by such other stock exchange, a notice specifying the aggregate nominal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

(e) *Redemption at the Option of Noteholders*

If Put Option is specified hereon, the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer, the Issuing and Paying Agent and the Trustee (or such other notice period as may be specified hereon) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("*Exercise Notice*") in the

form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(f) *Partly Paid Notes*

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified hereon.

(g) *Purchases*

The Issuer, the Guarantor and any of their respective Subsidiaries may at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price. Any purchase by tender shall be made available to all Noteholders alike to the extent practicable, taking into account security laws and other regulations. Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. In addition, the Issuer and the Guarantor shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).

- (v) Where any Bearer Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be.

Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(except in the case of Registered Notes) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

As used in these Conditions, “Relevant Date” in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. 12 Enforcement

At any time after the Notes become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer and/or the Guarantor as it may think fit to enforce the terms of the Trust Deed, the Notes, the Receipts and the Coupons, but it need not take any such proceedings unless (a) it shall have been so directed by an Extraordinary Resolution or so requested in writing by Noteholders holding at least one-fifth in nominal amount of the Notes outstanding, and (b) it shall have been indemnified to its satisfaction. No Noteholder, Receiptholder or Couponholder may proceed directly against the Issuer or the Guarantor unless the Trustee, having become bound so to proceed, fails to do so within a reasonable time and such failure is continuing.

13 Indemnification of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility. The Trustee is entitled to enter into business transactions with the Issuer, the Guarantor and any entity related to the Issuer or the Guarantor without accounting for any profit.

provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

15 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single series with the outstanding securities of any series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single series with the Notes. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted by the Trust Deed or any deed supplemental to it shall, and any other securities may (with the consent of the Trustee), be constituted by the Trust Deed. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*) and (in the case of both Bearer Notes and Registered Notes) so long as the Notes are listed on Euronext Amsterdam, in the Daily Official List of Euronext Amsterdam ("*Officiële Prijscourant*") and a daily newspaper with general circulation in the Netherlands (which is expected to be *Het Financieele Dagblad*). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

SUMMARY OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

Initial Issue of Notes

Upon the initial deposit of a Global Note with a common depository for Euroclear and Clearstream, Luxembourg (the “Common Depository”) or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Global Certificate to the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Notes that are initially deposited with the Common Depository may also be credited to the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or any other clearing system as the holder of a Note represented by a Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg or such clearing system (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg, or such clearing system (as the case may be). Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

So long as the Notes are represented by a temporary Global Note, permanent Global Note or Global Certificate and the relevant clearing system(s) so permit, the Notes shall be tradeable only in principal amounts of at least the Specified Denomination (or if more than one Specified Denomination, the lowest Specified Denomination) and integral multiples of the Tradeable Amount in excess thereof specified in the relevant Final Terms.

Exchange

(a) Temporary Global Notes

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined in paragraph (f) below):

- (i) if the relevant Final Terms indicate that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see “Overview of the Programme — Selling Restrictions”), in whole, but not in part, for the Definitive Notes defined and described below; or
- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a permanent Global Note or, if so provided in the relevant Final Terms, for Definitive Notes.

Each temporary Global Note that is also an Exchangeable Bearer Note will be exchangeable for Registered Notes in accordance with the Terms and Conditions of such Notes (the “Conditions”) in addition to any permanent Global Note or Definitive Notes for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered Notes only.

(b) *Permanent Global Notes*

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under “Partial Exchange of Permanent Global Notes”, in part for Definitive Notes or, in the case of (b)(iii) below, Registered Notes:

- (i) by the Issuer giving notice to the Noteholders, the Issuing and Paying Agent and the Trustee of its intention to effect such exchange, unless principal in respect of any Notes is not paid when due
- (ii) if the relevant Final Terms provide that such Global Note is exchangeable at the request of the holder, by the holder giving notice to the Issuing and Paying Agent of its election for such exchange;
- (iii) if the permanent Global Note is an Exchangeable Bearer Note, by the holder giving notice to the Issuing and Paying Agent of its election to exchange the whole or a part of such Global Note for Registered Notes; and
- (iv) otherwise, (1) if the permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or any other clearing system (an “Alternative Clearing System”) and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so or (2) if principal in respect of any Notes is not paid when due, by the holder giving notice to the Issuing and Paying Agent of its election for such exchange.

In the event that a Global Note is exchanged for Definitive Notes, such Definitive Notes shall be issued in Specified Denomination(s) only. Noteholders who hold Notes in the relevant clearing system in amounts that are not integral multiples of a Specified Denomination may need to purchase or sell, on or before the relevant Exchange Date, a principal amount of Notes such that their holding is an integral multiple of a Specified Denomination.

(c) *Permanent Global Certificates*

If the Final Terms state that the Notes are to be represented by a permanent Global Certificate on issue, the following will apply in respect of transfers of Notes held in Euroclear or Clearstream, Luxembourg or an Alternative Clearing System. These provisions will not prevent the trading of interests in the Notes within a clearing system whilst they are held on behalf of such clearing system, but will limit the circumstances in which the Notes may be withdrawn from the relevant clearing system.

Transfers of the holding of Notes represented by any Global Certificate pursuant to Condition 2(b) may only be made in part:

- (i) if the relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so; or
- (ii) if principal in respect of any Notes is not paid when due; or
- (iii) with the consent of the Issuer,

provided that, in the case of the first transfer of part of a holding pursuant to (c)(i) or (c)(ii) above, the registered holder of Notes (the “Registered Holder”) has given the Registrar not less than 30 days’ notice at its specified office of the Registered Holder’s intention to effect such transfer.

(d) *Partial Exchange of Permanent Global Notes*

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such permanent Global Note will be exchangeable in part on one or more occasions (1) for Registered Notes if the permanent Global Note is an Exchangeable Bearer Note and the part submitted for exchange is to be exchanged for Registered Notes, or (2) for Definitive Notes (i) if principal in respect of any Notes is not paid when due or (ii) if so provided in, and in accordance with, the Conditions (which will be set out in the relevant Final Terms) relating to Partly Paid Notes.

(e) *Delivery of Notes*

On or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Issuing and Paying Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes and/or Certificates, as the case may be. In this Prospectus, “Definitive Notes” means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed and both Definitive Notes and Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Trust Deed. On exchange in full of each permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

(f) *Exchange Date*

“Exchange Date” means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, or in the case of failure to pay principal in respect of any Notes when due 30 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Issuing and Paying Agent is located and in the city in which the relevant clearing system is located.

Amendment to Conditions

The temporary Global Notes, permanent Global Notes and Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Prospectus. The following is a summary of certain of those provisions:

(a) *Payments*

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Issuing and Paying Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. A record of each payment so made will be endorsed on each Global Note, which endorsement will be prima facie evidence that such payment has been made in respect of the Notes. Condition 7(e)(vii) and Condition 8(d) will apply to the Definitive Notes only.

(b) *Prescription*

Claims against the Issuer in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 8).

(c) *Meetings*

The holder of a permanent Global Note or of the Notes represented by a Global Certificate shall (unless such permanent Global Note or Global Certificate represents only one Note) be treated as being two persons for the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, the holder of a permanent Global Note shall be treated as having one vote in respect of each integral currency unit of the Specified Currency of the Notes. (All holders of Registered Notes are entitled to one vote in respect of each Note comprising such Noteholder's holding, whether or not represented by a Global Certificate.)

(d) *Cancellation*

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant permanent Global Note.

(e) *Purchase*

Notes represented by a permanent Global Note may only be purchased by the Issuer, the Guarantor or any of their respective Subsidiaries (as defined in the Conditions) if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (as defined in the relevant Final Terms) (if any) thereon.

(f) *Issuer's Option*

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of account holders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg or any other clearing system (as the case may be).

(g) *Noteholders' Options*

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note may be exercised by the holder of the permanent Global Note giving notice to the Issuing and Paying Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time presenting the permanent Global Note to the Issuing and Paying Agent, or to a Paying Agent acting on behalf of the Issuing and Paying Agent, for notation.

(h) *Trustee's Powers*

In considering the interests of Noteholders while any Global Note is held on behalf of, or Registered Notes are registered in the name of any nominee for, a clearing system, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders with entitlements to such Global Note or Registered Notes and may consider such interests as if such accountholders were the holders of the Notes represented by such Global Note or Global Certificate.

(i) *Notices*

So long as any Notes are represented by a Global Note and such Global Note is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note, except that so long as the Notes are listed on Euronext Amsterdam and the rules of that exchange so require, notices shall also be published in the Daily Official List of Euronext Amsterdam ("*Officiële Prijscourant*") and a leading newspaper having general circulation in the Netherlands (which is expected to be *Het Financieele Dagblad*).

(j) *Partly Paid Notes*

The provisions relating to Partly Paid Notes are not set out in this Prospectus, but will be contained in the relevant Final Terms and thereby in the Global Notes. While any instalments of the subscription moneys due from the holder of Partly Paid Notes are overdue, no interest in a Global Note representing such Notes may be exchanged for an interest in a permanent Global Note or for Definitive Notes (as the case may be). If any Noteholder fails to pay any instalment due on any Partly Paid Notes within the time specified, the Issuer may forfeit such Notes and shall have no further obligation to their holder in respect of them.

USE OF PROCEEDS

The net proceeds from each issue of Notes will be applied for the general purposes of the Group.

The Guarantor is the parent company of the Group (a complete list of Group companies is filed with the Chamber of Commerce in Rotterdam) that invest in and manage property.

The Guarantor is an investment company with variable capital and has a licence from the AFM to act as an investment company based on the Dutch 1990 Act on the Supervision of Collective Investment Schemes (*Wet toezicht beleggingsinstellingen*). As an investment company, the Guarantor is subject to the supervision by the AFM.

The Guarantor qualifies as a “*Fiscale Beleggingsinstelling*” (“FBI”), or fiscal investment institution, under Dutch law. No corporate income tax is due in the Netherlands when certain conditions of the Dutch Corporate Income Tax Act (“CITA”) are met. The Guarantor’s shares are listed on Euronext Amsterdam, Euronext Paris and Euronext Brussels, as well as the Frankfurt Stock Exchange. As at 30 June 2005, the Guarantor had a market capitalisation of €6.1 billion. The Guarantor’s shares are included in the Euronext 100 index, the AMX Midkap index of Euronext Amsterdam and the MSCI World index.

The Guarantor is one of the largest listed property investment and management companies, predominantly focusing on the retail sector in various property markets in Europe. The Group’s property portfolio consists of three business segments: retail, offices and industrial/other properties. As at 30 June 2005, the Guarantor owned and managed a portfolio of shopping centres, high street shops, office buildings and industrial properties in 12 European countries. At 30 June 2005, the Guarantor’s property portfolio was valued at €7.666 billion. This portfolio generated net rental income of €243 million in the first six months of 2005. In this same period the Guarantor recorded net profit of €411 million, compared to €171 million in the first six months of 2004.

The Guarantor’s core local markets are the Netherlands, Sweden, France and Spain. In addition, the Guarantor has investments in the retail sector in Austria, Denmark, Germany, Poland, the Czech Republic, Belgium, Ukraine and Hungary. As at 30 June 2005, 88 per cent. of the Guarantor’s total property investments in terms of book value were in, and 91 per cent. of the Guarantor’s net rental income in the first six months of 2005 were derived from, retail property investments.

Joint and several liability

For most of the Dutch Group companies the Guarantor has assumed joint and several liability, in accordance with article 403 Book 2 of the Dutch Civil Code, for all legal transactions carried out. A list of 403 declarations is filed at the Chamber of Commerce in Rotterdam.

¹ The financial data contained in this section is unaudited, unless otherwise stated.

Strategy

The objects of the Guarantor are set forth in Article 2 of its Articles of Association and include the investment of capital in such manner as to spread risk to enable its shareholders to share in the proceeds from property investments in Europe. The key elements of the Guarantor's business strategy include:

Prime retail locations

The Guarantor intends to focus its expansion on food-anchored shopping centres in prime locations, as it believes that such shopping centres provide more stable returns on investment and are more resistant to business cycles.

Geographic diversification and multi-domestic, local organisations

In order to spread risk and returns, the Guarantor's focus is on managing key retail assets in its four core markets: the Netherlands, Sweden, France and Spain. Management views local presence in these countries as crucial to the Guarantor's future success. The Guarantor also intends to explore additional opportunities in other countries and economic regions in Europe.

Capital structure

The Guarantor believes that by expanding its property portfolio and increasing its market capitalisation, it will have greater access to capital and lower capital costs.

Pan-European vision

The Guarantor's aim is a fully aligned organisation that can take full advantages of the synergies and best practices in the whole Group. This pan-European vision, together with its other value drivers, will enable it to share experience and know-how across countries in order to achieve cost efficiencies and promote best practice while facilitating its relationships with major international retailers.

Financial Strategy

The key elements of the Guarantor's financial strategy include:

Diversifying the Guarantor's capital resources

The Guarantor has historically financed its activities through a mixture of debt obtained from banks and equity finance. In order to achieve better and more flexible terms of finance, the Guarantor is expanding its sources of funding, recently including the public debt capital markets.

Rationalising the Guarantor's debt structure to match its investment horizon

In order to better manage the Guarantor's financial risk in respect of projects, the Guarantor is seeking to further alter its debt structure to a portfolio with mainly long term financing. The Guarantor has further set targets relating to its fixed-floating ratio.

Effectively managing currency risk

Because of the Guarantor's pan-European activities, it invests in and receives income from a number of countries outside the Eurozone (in particular, Swedish Krona). Consequently, subject to market conditions, the Guarantor seeks to manage currency risk by matching foreign currency income and expenses, as well as hedging through the use of foreign exchange contracts or other instruments.

Activities

Overview

The Guarantor's activities consist of investment in, and management of, shopping centres and other retail properties, office properties and industrial/other properties. As at 30 June 2005, the Guarantor's retail property portfolio consisted of approximately 65 shopping centres and more than 300 high street shops. Within the

retail sector, the Guarantor's core tenant base includes a number of significant international retailers including Ahold, ICA, Vendex/KBB, Zara and Hennes & Mauritz. Rodamco Europe's activities fall within two categories: asset selection and retail management.

Asset selection

The Guarantor has established a dedicated asset selection function based within each of its local organisations. Under the asset selection function, asset selection proposals originate from the local organisations which are closest to their respective markets. Proposals are then subjected to qualitative and quantitative review based on criteria established by the Management Board to ensure that potential acquisitions fit within the Guarantor's overall strategy. Projects valued in excess of €100 million or 10 per cent. of the value of the Group's total assets as of the last (interim) balance of the Guarantor must be approved by the Supervisory Board.

Retail Management

During 2004, on average 262 employees within the Group were involved in retail management. As with the asset selection function, each local organisation within the Group has a retail management function (which focuses on optimal management of its assets and which includes activities such as shopping centre management and redevelopment of existing shopping centres).

Offices

Although the Guarantor's strategy emphasises the retail sector, and the Guarantor has increasingly disposed of office property in reaction to the current business cycle affecting the office sector, the Guarantor intends to retain a limited asset base of high quality office properties. The Guarantor views its investments in the top end of the office sector as a stable source of revenue, as the tenant base consists primarily of large, well known firms with long-term leases.

Industrial/Others

In addition to retail and office properties, the Guarantor has a small but stable portfolio of investments in warehouses and other facilities for the European logistics and industrial sectors.

Lease terms

While the lease terms which the Guarantor offers its customers vary from market to market, virtually all contracts in the retail segment are indexed to inflation or some other indices (for example, a construction index) and, in order to safeguard cash flow, rental payments are typically collected monthly or quarterly in advance. On average, approximately 13 per cent. by value of all leases will expire per year in the period 2005 – 2008.

Markets by Geography

The Netherlands

The Netherlands represents the Guarantor's single largest market, accounting for 39 per cent. of the Guarantor's portfolio value at 30 June 2005 and 38 per cent. of its net rental income in the first six months of 2005.

Sweden

Currently the Guarantor's principal market in the Scandinavian region is Sweden (although it also has one investment in Denmark), mainly in Stockholm. As at 30 June 2005, the market value of the Guarantor's properties in Sweden and Denmark accounted for 17 per cent. of the Guarantor's assets by value and 17 per cent. of its net rental income in the first six months of 2005.

France

As at 30 June 2005, the market value of the Guarantor's properties in France accounted for 17 per cent. of the Guarantor's assets by value and 18 per cent. of its net rental income in the first six months of 2005. The Guarantor is one of the largest publicly listed property companies owning retail property (seven shopping centres) in France.

Spain

As at 30 June 2005, the market value of the Guarantor's properties in Spain accounted for 15 per cent. of the Guarantor's assets by value and 15 per cent. of its net rental income in the first six months of 2005. The Guarantor is one of the leading publicly listed retail property owners in Spain, with 10 shopping centres, one leisure centre and one factory outlet centre.

Central Europe

For the Guarantor, the Central European market consists of Austria, Poland, the Czech Republic and Hungary. As at 30 June 2005 the Guarantor's property portfolio in Central Europe accounted for 8 per cent. of the Guarantor's asset portfolio by value and generated 9 per cent. of the Guarantor's net rental income in the first six months of 2005.

The Guarantor has made inroads into Austria, Poland, the Czech Republic and Hungary and has established local teams in Austria, the Czech Republic and Poland.

The Guarantor views Central Europe as a future growth region and expects the expansion of the European Union to drive economic growth, consumer spending and further investment in the region. The Guarantor believes that the expansion of the European Union to countries in Central Europe (such as Poland, the Czech Republic and Hungary) will drive economic growth in the near term. Under current guidelines set by the Management Board, the Guarantor does not intend to invest more than 10 per cent. of its overall portfolio in emerging markets.

Other markets

For the Guarantor, "Other markets" consists of Germany, Belgium and the Ukraine. As at 30 June 2005, the Guarantor's property portfolio in these markets accounted for 4 per cent. of the Guarantor's asset portfolio by value and generated 4 per cent. of the Guarantor's net rental income in the first six months of 2005. The Guarantor has a presence in the retail sector in Germany with shopping centres and retail properties in major cities including Frankfurt and Berlin. In addition, the Guarantor has a small office portfolio in the Ukrainian capital, Kiev.

Pipeline projects

In order to develop its business growth further, the Guarantor seeks to acquire new investments for its portfolio. Opportunities to invest in existing properties of good quality at reasonable prices that meet the Guarantor's criteria are limited. The Guarantor is therefore willing to step in earlier and seeks pipeline projects which it typically funds in advance and acquires on completion on a turnkey basis. For pipeline acquisitions, the Guarantor also looks for projects which it can optimise through retail management. As at 30 June 2005 the total value of committed pipeline projects was approximately €853 million, of which 93 per cent. are retail investments.

The Guarantor expects a total of €80 million in future annual rental income from its current committed pipeline investments, once the full pipeline has been completed. As at 30 June 2005, 62 per cent. of total gross lettable area has been secured through pre-lettings.

Employees

The average number of personnel during 2004 was 505, compared to 433 a year earlier. The Guarantor's headcount expanded largely due to the expansion of its portfolio and the insourcing of local retail management.

Recent events

- On 18 October 2005, the Group announced that it had increased its pipeline portfolio by €600 million to €2.4 billion compared to the pipeline portfolio communicated on 15 August 2005 (€1.8 billion). Out of this total pipeline portfolio of €2.4 billion, €1.1 billion consists of committed pipeline projects and €1.3 billion of uncommitted pipeline projects. Committed pipeline projects include stand-alone and/or extension projects internally approved by the management board of the Group and externally committed to third parties. Uncommitted pipeline projects include stand-alone projects and/or extension projects internally initiated and/or approved, but not yet externally committed. Almost the entire pipeline (> 95%) is in the retail sector. The Theoretical Gross Rental Income for the committed pipeline portfolio is estimated to be over €90 million annually, once the full pipeline has been completed. For the uncommitted pipeline projects, the Group expects at least 100 basis points return over the standing portfolio yield. Projects included in the pipeline are expected to materialise in the short to mid term (2-5 years), of which 60% is expected to come into operation in the coming 3 years.
- On 11 October 2005, the Group announced it has reached a pan-European agreement with the German publicly listed property fund IVG Immobilien AG (“IVG”) to acquire its share of the Jumbo shopping centre in Helsinki, Finland for approximately €135 million. At the same time, IVG will acquire three office buildings from Rodamco Europe, located in Paris and München. Transfer of ownership will take place on 30 November 2005. The Jumbo shopping centre consists of an existing structure (GLA approximately 56,000 m², completed in 1999) and an extension (GLA approximately 29,000 m²) and opened on 26 October 2005.
- On 24 September 2005, the Group opened its new shopping centre ‘Vier Meren’ in Hoofddorp. The regional shopping centre ‘Vier Meren’ has been (re)developed and adds approximately 27,000 m² of new retail space to the city centre of Hoofddorp. With 4.9 million visitors each year, ‘Vier Meren’ supports the upgrading of the city centre of Hoofddorp, establishing itself as the prime shopping location for Haarlemmermeer’s inhabitants. The market value of ‘Vier Meren’ is expected to be around €97 million, generating a net initial yield of around 6.4%; the yield on Total Development Costs (TDC) is 8.1%.
- On 1 September 2005, the Group announced it had signed an agreement with the German development company ECE for a new shopping centre, Arkády Pankrác, in Prague, Czech Republic. The Group will have a 75% share ownership at completion with a total investment of approximately €72 million, at an estimated net initial yield of 7.4%. The Arkády Pankrác shopping centre will comprise a total of 39,800 m² of retail space. Opening is planned for the first quarter of 2007. All leases will be denominated in

Euros and Rodamco Europe's share of the Net Rental Income (before tax) will be €5.3 million per annum.

- In order to reflect the current competitive market situation for high quality retail property, the Group is conducting a valuation of its pan-European investment portfolio with the assistance of an international appraiser.

Legal Proceedings

The Group is involved in litigation and arbitration proceedings in the Netherlands and in foreign (European) jurisdictions, involving claims by and against by it which arise in the ordinary course of its business, including in connection with its activities as investor, owner, landlord, employer and taxpayer. While it is not feasible to predict or determine the ultimate outcome of all pending or threatened proceedings and litigation, Group management believes that the ultimate outcome of the various proceedings and litigation already commenced, and/or future proceedings and litigation, will not have a material adverse effect on the financial position of the Group.

TAXATION

The Netherlands

This is a general summary and the tax consequences as described here may not apply to a holder of Notes. Any potential investor should consult his own tax adviser for more information about the tax consequences of acquiring, owning and disposing of Notes in his particular circumstances.

This taxation summary solely addresses the principal Dutch tax consequences of the acquisition, the ownership and disposition of Notes. Where in this summary English terms and expressions are used to refer to Dutch concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Dutch concepts under Dutch tax law. It does not consider every aspect of taxation that may be relevant to a particular holder of Notes under special circumstances or who is subject to special treatment under applicable law.

This summary is based on the tax laws of the Netherlands as they are in force and in effect on the date of this Prospectus. The laws upon which this summary is based are subject to change, possibly with retroactive effect. A change to such laws may invalidate the contents of this summary, which will not be updated to reflect any such change. This summary assumes that each transaction with respect to Notes is at arm's length.

Withholding tax

All payments under Notes may be made free from withholding or deduction of, for or on account of any taxes of whatever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein, except where Notes are issued under such terms and conditions that such Notes are capable of being classified as equity of the Issuer for Dutch tax purposes or actually function as equity of the Issuer within the meaning of article 10, paragraph 1, letter d, of the Dutch Corporation Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*) and where Notes are issued that are redeemable in exchange for, convertible into or linked to shares or other equity instruments issued or to be issued by the Issuer or by any entity related to the Issuer.

Taxes on income and capital gains

Resident holders of Notes

The summary set out in this section "Taxes on income and capital gains - Resident holders of Notes" only applies to a holder of Notes who is a "Dutch Individual" or a "Dutch Corporate Entity".

A holder of Notes is a "Dutch Individual" if:

- he is an individual; and
- he is resident, or deemed to be resident, in the Netherlands for Dutch income tax purposes, or has elected to be treated as a resident of the Netherlands for Dutch income tax purposes.

A holder of Notes is a "Dutch Corporate Entity" if:

- it is a corporate entity (including an association that is taxable as a corporate entity) that is subject to Dutch corporation tax;
- it is resident, or deemed to be resident, in the Netherlands for Dutch corporation tax purposes;
- it is not an entity that, although in principle subject to Dutch corporation tax, is, in whole or in part, specifically exempt from that tax; and

- it is not an investment institution (*beleggingsinstelling*) as referred to in the Dutch Corporation Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*).

If a holder of Notes is not an individual and if it does not satisfy any one or more of these tests, with the exception of the second test, its Dutch tax position is not discussed in this Prospectus.

Dutch Individuals deriving profits or deemed to be deriving profits from an enterprise

Any benefits derived or deemed to be derived from Notes, including any gain realised on the disposal thereof, by a Dutch Individual that are attributable to an enterprise from which such Dutch Individual derives profits, whether as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the net value of an enterprise (other than as an entrepreneur or a shareholder), are generally subject to Dutch income tax at progressive rates.

Dutch Individuals deriving benefits from miscellaneous activities

Any benefits derived or deemed to be derived from Notes, including any gain realised on the disposal thereof, by a Dutch Individual that constitute benefits from miscellaneous activities (*resultaat uit overige werkzaamheden*) are generally subject to Dutch income tax at progressive rates.

Benefits derived from Notes by a Dutch Individual are taxable as benefits from miscellaneous activities if he, or an individual who is a connected person in relation to him as meant in article 3.91, paragraph 2, letter b, or letter c, of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*), has a substantial interest (*aanmerkelijk belang*) in the Issuer.

A person has a substantial interest in the Issuer if such person - either alone or, in the case of an individual, together with his partner (*partner*), if any - has, directly or indirectly, either the ownership of shares representing five per cent. or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of the Issuer, or rights to acquire, directly or indirectly, shares, whether or not already issued, that represent five per cent. or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of the Issuer, or the ownership of profit participating certificates (*winstbewijzen*) that relate to five per cent. or more of the annual profits of the Issuer or to five per cent. or more of the liquidation proceeds of the Issuer.

A person who is entitled to the benefits from shares or profit participating certificates (for instance, a holder of a right of usufruct) is deemed to be a holder of shares or profit participating certificates, as the case may be, and such person's entitlement to such benefits is considered a share or a profit participating certificate, as the case may be.

Furthermore, a Dutch Individual may, *inter alia*, derive benefits from Notes that are taxable as benefits from miscellaneous activities in the following circumstances:

- if his investment activities go beyond the activities of an active portfolio investor, for instance, in the case of the use of insider knowledge (*voorkennis*) or comparable forms of special knowledge; or
- if he makes Notes available or is deemed to make Notes available, legally or in fact, directly or indirectly, to certain parties as meant in the articles 3.91 and 3.92 of the Dutch Income Tax Act 2001 under circumstances described there.

Other Dutch Individuals

If a holder of Notes is a Dutch Individual whose situation has not been discussed before in this section "Taxes on income and capital gains - Resident holders of Notes", the benefits from his Notes are taxed as a benefit from savings and investments (*voordeel uit sparen en beleggen*). Such benefit is deemed to be 4 per cent. per annum of the average of his "yield basis" (*rendementsgrondslag*) at the beginning and at the end of the year,

insofar as that average exceeds the “exempt net asset amount” (*heffingvrij vermogen*). The benefit is taxed at the rate of 30 per cent. The value of his Notes forms part of his yield basis. Actual benefits derived from his Notes, including any gain realised on the disposal thereof, are not as such subject to Dutch income tax.

Dutch Corporate Entities

Any benefits derived or deemed to be derived from Notes, including any gain realised on the disposal thereof, that are held by a Dutch Corporate Entity are generally subject to Dutch corporation tax.

Non-resident holders of Notes

The summary set out in this section “Taxes on income and capital gains - Non-resident holders of Notes” only applies to a holder of Notes who is a Non-Resident holder of Notes.

A holder of Notes will be considered a “Non-Resident holder of Notes” if he is neither resident, nor deemed to be resident, in the Netherlands for purposes of Dutch income tax or corporation tax, as the case may be, and, in the case of an individual, has not elected to be treated as a resident of the Netherlands for Dutch income tax purposes.

Individuals

A Non-Resident holder of Notes who is an individual will not be subject to any Dutch taxes on income or capital gains in respect of any benefit derived or deemed to be derived from Notes, including any payment under the Notes and any gain realised on the disposal of Notes, provided that both of the following conditions are satisfied:

1. If he derives profits from an enterprise, whether as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the net value of such enterprise, other than as an entrepreneur or a shareholder, which enterprise is either managed in the Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative in the Netherlands, as the case may be, his Notes are not attributable to such enterprise.
2. He does not derive benefits from Notes that are taxable as benefits from miscellaneous activities in the Netherlands (*resultaat uit overige werkzaamheden in Nederland*).

See the section “Taxes on income and capital gains - Resident holders of Notes - Dutch Individuals deriving benefits from miscellaneous activities” for a description of the circumstances under which the benefits derived from Notes may be taxable as benefits from miscellaneous activities, on the understanding that such benefits will be taxable in the Netherlands only if such activities are performed or deemed to be performed in the Netherlands.

Entities

A Non-Resident holder of Notes other than an individual will not be subject to any Dutch taxes on income or capital gains in respect of benefit derived or deemed to be derived from Notes, including any payment under Notes or any gain realised on the disposal of Notes, provided that (a) if such Non-Resident holder of Notes derives profits from an enterprise that is either managed in the Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative in the Netherlands, whether as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the net value of such enterprise (other than as an entrepreneur or as a holder of securities), the Notes are not attributable to such enterprise, and (b) such Non-Resident holder of Notes does not have a substantial interest in the Issuer.

A person other than an individual has a substantial interest in the Issuer, (x) if it has a substantial interest in the Issuer as described in the section “Taxes on income and capital gains - Resident holders of Notes - Dutch Individuals deriving benefits from miscellaneous activities” or (y) if it has a deemed substantial interest in the Issuer. A deemed substantial interest may be present if its shares, profit participating certificates or rights to

acquire shares or profit participating certificates in the Issuer have been acquired by such person or are deemed to have been acquired by such person on a non-recognition basis.

General

Subject to the above, a Non-Resident holder of Notes will not be subject to income taxation in the Netherlands by reason only of the execution (*ondertekening*), delivery (*overhandiging*) and/or enforcement of the Prospectus and the applicable Final Terms or the performance by the Issuer of its obligations thereunder or under the Notes.

Gift and inheritance taxes

A person who acquires Notes as a gift, in form or in substance, or who acquires or is deemed to acquire Notes on the death of an individual, will not be subject to Dutch gift tax or to Dutch inheritance tax, as the case may be, unless:

- (i) the donor is, or the deceased was resident or deemed to be resident in the Netherlands for purposes of gift or inheritance tax, as the case may be; or
- (ii) the Notes are or were attributable to an enterprise or part of an enterprise that the donor or the deceased carried on through a permanent establishment or a permanent representative in the Netherlands at the time of the gift or of the death of the deceased; or
- (iii) the donor made a gift of Notes, then became a resident or deemed resident of the Netherlands, and died as a resident or deemed resident of the Netherlands within 180 days after the date of the gift.

Other taxes and duties

No Dutch registration tax, transfer tax, stamp duty or any other similar documentary tax or duty, other than court fees, will be payable by a holder of Notes in the Netherlands in respect of or in connection with the execution, delivery and/or enforcement by legal proceedings (including the enforcement of any foreign judgment in the courts of the Netherlands) of the documents relating to the issue of Notes or the performance by the Issuer of its obligations thereunder or under the Notes.

Kingdom of Sweden

The following is a summary of material Swedish tax law relating to holders of the Notes that are residents of Sweden for tax purposes, unless otherwise stated. The summary is based on current legislation, which is subject to change, and is intended to provide general information only. The summary does not cover, among other things, effects of foreign tax regulations or those situations where the Notes are held as current assets in a business operation or held by a partnership. Neither does it cover situations where the Notes pertain to a permanent establishment or fixed base of business in Sweden. The tax treatment of each individual Noteholder depends in part on such holder's specific situation. We recommend that each investor consult a tax adviser as to the tax consequences relating to its particular circumstances resulting from acquiring, holding or disposing of the Notes, including the applicability and effect of foreign income tax regulations, provisions contained in treaties to avoid double taxation, and other rules which may be applicable.

Taxation of individuals resident in Sweden.

Interest received on the Notes is taxable as capital income (tax rate of 30 per cent.). If interest is received in a currency other than SEK, any currency exchange gain or loss is computed separately when the interest income is exchanged into SEK.

When the Notes are deemed disposed of for tax purposes (*inter alia* in a sale, exchange or redemption), the capital gain or loss will be calculated as the difference between (i) the consideration received after deduction

for sales costs and (ii) the tax basis for the Notes calculated in accordance with the average method for all the Notes of the same kind and type. Any compensation for accrued interest at the time the Notes are disposed of is treated as taxable interest. A capital gain is taxable as capital income (tax rate of 30 per cent.) and 70 per cent. of a capital loss is deductible.

If compensation in a currency other than SEK is received in connection with a repayment or disposal of the Notes, and is exchanged to SEK within 30 days, the currency exchange rate on the date of the exchange is used when calculating the capital gain or loss on the Notes and no separate currency exchange gain or currency exchange loss is computed.

Should a net loss arise in the capital income category in any given year, such net loss may reduce the tax on income from employment, business activities and property tax. This tax reduction is granted at 30 per cent. for the part of the deficit which does not exceed SEK 100,000 and at 21 per cent. for any remaining part. Any excess net loss not absorbed by these tax reductions cannot be carried forward to future tax years.

Taxation of corporations resident in Sweden.

Interest accrued on the Notes is taxable as business income (tax rate of 28 per cent.). If interest is received in a currency other than SEK, any currency exchange gain or loss is computed separately. The Notes are generally recorded in SEK at the foreign exchange rate at the end of each fiscal year. Any such change in value is taxable or deductible in the business income category.

When the Notes are deemed disposed of for tax purposes (*inter alia* in a sale, exchange or redemption), any capital gain or loss will be calculated as the difference between (i) the consideration received after deduction for sales costs and (ii) the tax basis for the Notes calculated in accordance with the average method for all the Notes of the same kind and type. Any compensation for accrued interest at the time the Notes are disposed of is treated as taxable interest. A capital gain is taxable as business income (tax rate of 28 per cent.). A capital loss is fully deductible. Should a net loss arise in the business income category such loss may be carried forward indefinitely.

If compensation in a currency other than SEK is received in connection with a repayment or disposal of the Notes, and is exchanged to SEK within 30 days, the currency exchange rate on the date of the exchange is used when calculating the capital gain or loss on the Notes and no separate currency exchange gain or currency exchange loss is computed.

Noteholders not resident in Sweden for tax purposes.

Noteholders who are not fiscally resident in Sweden and who are not carrying on business operations from a permanent establishment or a fixed base of business in Sweden are not generally liable for tax in Sweden on interest on the Notes or capital gains on the disposal of the Notes. Sweden does not impose withholding tax on Noteholders not resident in Sweden.

Net Wealth Taxation.

Individuals that are Swedish tax residents are liable for Swedish net wealth taxation. Notes that are quoted on a market are included in the taxable net wealth at 100 per cent. of their market value at the end of the income year. In case the quoted value does not include accrued interest, such amount is added to the quoted value. If the Notes are not quoted on a market, they are included in the net wealth at the nominal value plus accrued interest.

The Notes are not subject to Swedish net wealth taxation if the holder is not resident in Sweden for tax purposes.

Stamp duty.

No Swedish stamp duty is payable on the issue of the Notes or on the transfer of Notes.

European Union Savings Directive

The EU has adopted a Directive regarding the taxation of savings income. The Directive requires Member States to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person to an individual in another Member State, except that Austria, Belgium and Luxembourg will instead impose a withholding system for a transitional period unless during such period they elect otherwise.

SUBSCRIPTION AND SALE

Summary of Dealer Agreement

Subject to the terms and on the conditions contained in a Dealer Agreement dated 14 September 2004 and amended and restated on 17 November 2005 (the “Dealer Agreement”) between the Issuers, the Guarantor, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis by the relevant Issuer to the Permanent Dealers. However, the relevant Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the relevant Issuer through the Dealers, acting as agents of such Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The relevant Issuer, failing whom the Guarantor, will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuers have agreed to reimburse the Arranger for its expenses incurred in connection with the establishment of the Programme and the Dealers for certain of their activities in connection with the Programme. The commissions in respect of an issue of Notes on a syndicated basis will be stated in the relevant Final Terms.

Each Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe for Notes in certain circumstances prior to payment for such Notes being made to the relevant Issuer.

Selling Restrictions

United States

The Notes have not been and will not be registered under the U.S. Securities Act of 1933 as amended (the “Securities Act”) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has agreed that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver the Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such Tranche as determined, and certified to the Issuer, by the Issuing and Paying Agent, or in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of Notes to the public in that Relevant Member State:

- (a) in (or in Germany, where the offer starts within) the period beginning on the date of publication of a prospectus in relation to those Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive and ending on the date which is 12 months after the date of such publication;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts; or
- (d) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression Prospectus Directive means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

- (ii) it has only communicated or caused to be communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA does not apply to the Issuer or the Guarantor; and

The Notes have not been and will not be registered under the Securities and Exchange Law of Japan (the “Securities and Exchange Law”).
